Little Flakes of Dandruff  
Little Falling Hair  
Makes the Heart grow weary

**BLAME THE GERMS**

When a famous French Physician proved to the world that dandruff is caused by a germ all the old hair tonic fellows claimed that they knew it all the time.

Whether they did or not makes no difference, for we know that germs cause dandruff, and not only dandruff, but falling hair and scalp itch.

The man or woman who makes no effort to get rid of dandruff will without doubt be bald before the period of youth has passed.

Clever people who want to keep their hair should know that Parisian Sage, now sold all over America contains ingredients that will kill the germs, abolish dandruff, nourish the roots of the hair and stop it from falling.

Parisian Sage is a delightfully refreshing hair grower that is guaranteed to stop falling hair, remove dandruff and stop scalp itch, or money back. Large bottles 50 cents at Tragle Drug Co., and druggists everywhere. The girl with Auburn hair is on every bottle.

"Having used Parisian Sage I will gladly recommend it as the best hair tonic I have ever known. I find it the only hair tonic that will cure dandruff, cleanse the scalp and make the hair grow long and beautiful." Miss Signa Ald, 2 Farwell St., Worcester, Mass. June 8, 1910.

**Quick Relief From Catarrh**  
A Simple, Safe, Reliable Way, and it Costs Nothing to Try.

Those who suffer from catarrh know its miseries. There is no need of this suffering. You can get rid of it by a simple, safe, inexpensive home treatment discovered by Dr. Blosser, who for over thirty-six years has been treating catarrh successfully.

His treatment is unlike any other. It is not a spray, douche, salve, cream or inhaler, but is a more direct and thorough treatment than any of these. It cleans out the head, nose, throat and lungs so that you can again breathe freely and sleep without that stopped-up feeling that all catarrh sufferers have. It heals the diseased mucous membranes and arrests the foul discharge, so that you will not be constantly blowing your nose and spitting, and at the same time it does not poison the system and ruin the stomach, as internal medicines do.

If you want to test this treatment without cost, send your address to Dr. J. W. Blosser, 774 Walton Street, Atlanta, Ga., and he will send you by return mail enough of the medicine to satisfy you that it is all he claims for it as a remedy for catarrh, catarrhal headaches, catarrhal deafness, asthma, bronchitis, colds and all catarrhal complications. He will also send you free an illustrated booklet. Write him immediately.
